

# Making a Paper Sheep

## Materials:

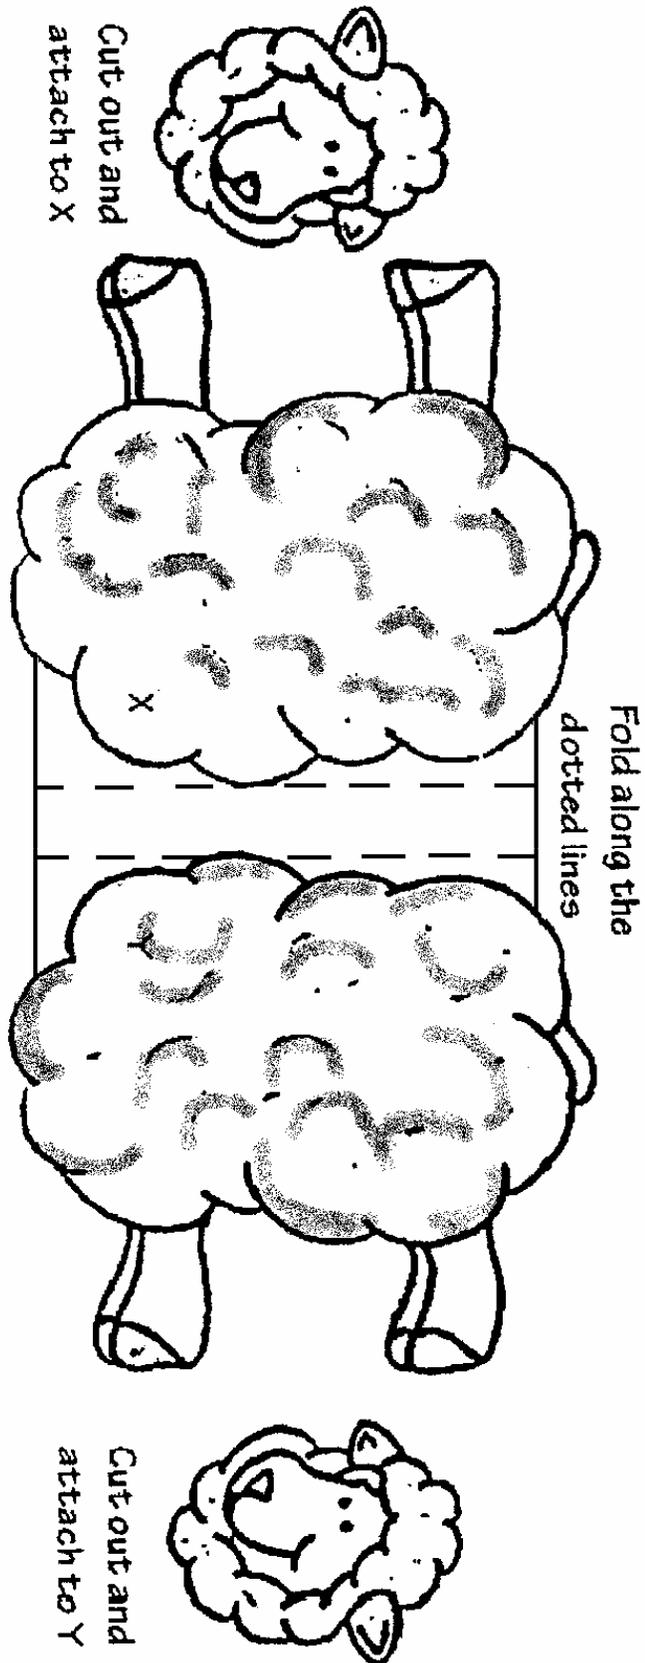

Heavy card stock for copying  
Wool fleece, or cotton balls  
Scissors  
Glue

## Directions:

1. Copy the pattern onto heavy card stock.
2. Carefully cut out all pieces.
3. Glue wool fleece, or cotton balls to the body.
4. Fold along the dotted lines.
5. Glue the head as indicated.

## Optional:

If desired, omit the wool, and simply color with crayons or markers. Continue with steps #4 and #5.

# Learning About Sheep

## *Glossary*

**Bleat:** The sound sheep make.

**Ewe:** A female sheep

**Fleece:** The coat of wool that is removed from a sheep when it is sheared.

**Flock:** A group of sheep.

**Forage:** Plants that animals use for food. Sheep prefer plants often referred to as weeds.

**Herd:** To gather together into a group. A group of over 1,000 sheep is sometimes called a herd.

**Lamb:** A baby sheep.

**Mutton:** Meat from a full-grown, adult sheep.

**Predators:** Animals such as coyotes, wolves, mountain lions, and bobcats that hunt other animals for food.

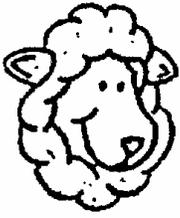

**Ram:** A male sheep.

**Range:** The countryside over which sheep and other types of grazing animals roam.

**Shearing:** The process of removing the coat of wool from sheep.

**Shepherd** or **Shepherd:** A person who tends to and takes care of flocks of sheep.

**Wool:** The fiber we get from sheep that is used for cloth and many other valuable products.
